Toronto, October 29, 2018 -- Advantex Marketing International Inc. (CSE: ADX), a specialist in marketing loyalty-reward programs, announced its results for the twelve months ended June 30, 2018.

Operational and Financial Accomplishments

- In December 2017 completed a successful financial restructuring with the support of its financial partners and staff. The resulting financial stability was the outcome of softer financial terms including forgiveness of unpaid debentures interest and penalty, additional working capital and multi-year terms. The re-financed \$5.6 m debentures and \$8.5 m line of credit facility terms expire December 2021.
- In March 2018 able to extend the term of its agreement with TD to March 2020.
- In July 2018, in response to its 2013 notice, received response from CRA confirming the appropriateness of its treatment of GST/HST subsequent to fiscal year 2007. This removed a financial uncertainty.
- In August 2018 the staff salary reductions, implemented a year earlier, were completely rolled back.
- All severance liabilities resulting from rightsizing the organization were fully settled.
- Payment plans were agreed with key suppliers including with affinity partners CIBC, TD and Aimia and were either completed or are running per the agreed terms.
- Since January 2018 the task of building a sales organization and refreshing the product is progressing quite well and this is expected to result initially in stability and then growth in merchant participation during the next fiscal year.

Outlook

"We have a great product valuable for small merchants and credit card customers of our affinity partners. The recent bid for Aimia's Aeroplan business by Air Canada led consortium which includes CIBC, TD and Visa demonstrates the importance of reward currency to credit card issuers. Our product gives merchants (i) access to data driven targeted marketing to CIBC/TD credit card customers, (ii) ability to seamlessly issue reward currencies to their customers, and (iii) access to unsecured working capital, supported by proprietary IT system that meets the exacting standards of our affinity partners. We build merchants coalitions in neighbourhoods across Canada. Our existing merchant portfolio, multi-year relationships with affinity and financial partners, dedicated staff and financial stability are our strengths. As we continue to re-build our sales organization and refresh our product I expect the growth in merchant portfolio to gradually pick up pace during the next fiscal year," said Kelly Ambrose, President and CEO of Advantex.
