Advantex Marketing International Inc. – Prepayment of Debentures

July 12, 2012, Toronto Ontario– (CNSX: ADX)

Advantex Marketing International Inc. (**Advantex** or the **Company**) announced today that, pursuant to a debt prepayment agreement, it has prepaid \$310,033 in the aggregate principal amount of \$1,000 face value secured non-convertible debentures of Advantex (the **Marketing Debentures**) plus \$12,129.51 of accrued and unpaid interest thereon and that its subsidiary, Advantex Dining Corporation (the **Subsidiary**), pursuant to a second debt prepayment agreement, has prepaid \$66,000 in the aggregate principal amount of \$1,000 face value secured non-convertible debentures of the Subsidiary (together with the Marketing Debentures, the **Debentures**) plus \$303.78 of accrued and unpaid interest thereon. The Debentures were initially issued pursuant to concurrent private placements completed in May 2011.

The Debentures were acquired from a Toronto-based portfolio management firm, on behalf of its managed accounts. As the private placement constitutes a related party transaction pursuant to Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”) the Company has relied on the financial hardship exemption from the formal valuation and minority approval requirements of such instrument. As the transaction will reduce the Company’s debt and annual interest payments thereon, the board of directors of the Company unanimously determined that the transaction will improve the financial position of the Company and that the terms of the transaction are reasonable in the circumstances.

Concurrently with the debt prepayment, 4,517,621 common share purchase warrants of the Company (each a **Warrant**) were surrendered to the Company. The number of Warrants surrendered is proportionate to the number of Debentures prepaid.
